

# IRSA CHAPTER ONBOARDING FRAMEWORK

Version 1.0 Effective 2026-03-26

Operational framework for chapter formation, governance readiness, and continuity planning.

## OVERVIEW

The IRSA Chapter Onboarding Framework explains how a prospective chapter moves from initial interest to governance-ready status and eventual publication.

- Application readiness before review begins.
- Governance review with status change and escalation discipline.
- Continuity planning for leadership handoffs and contact updates.
- Publication readiness before a chapter becomes visible on the public site.
