

# IRSA GOVERNANCE CHARTER

Version 1.0 Effective 2026-03-16

Foundational charter defining IRSA governance structure, decision authority, and publication controls.

## OVERVIEW

The IRSA Governance Charter defines the organization's public decision-making structure, the authority of the Executive Board, and the standards used to publish official institutional material.

- Governance structure for national operations and chapter coordination.
- Document control for approval, correction, and archival discipline.
- Accountability for roles, records, and publication responsibilities.
- Continuity through versioned charter updates and formal review.
